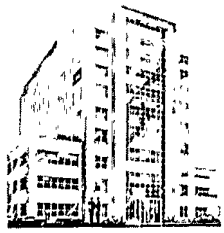
IN COOPERATION WITH THE CHRISTIAN ANTI-COMMUNISM CRUSADE

Office of the Mayor

CITY OF DALLAS



Proclamation

WHEREAS: Dallas citizens, as well as free men everywhere, have always been equal to their civic responsibilities when made aware of the realities; and

WHEREAS, each of us needs to feel a deep and personal responsibility toward the preservation of our freedom,

NOW, THEREFORE, I, as Mayor of the City of Dallas, do hereby proclaim the week September 19 - 24, 1960, as

FREEDOM WEEK IN DALLAS

and urge that it be set aside as a week during which our citizens will enlighten themselves on the insidious workings of an international conspiracy that is dedicated to the destruction of our fundamental constitutional rights as free men. I especially hope that every citizen will think during this special time of what it means to them to have freedom to worship, to speak freely, to assemble in groups, to privacy in our homes, to trial by jury, to move about and change jobs freely, to own private property, to a secret ballot, to free elections, to government designed to serve them and protect their personal dignity and personal freedoms, all of which may be taken away if the forces of communism should prevail.

Mayor, The City of Dallas

"Under God a new birth of Freedom,
a new and deeper understanding of it;
a new and deeper dedication to it."

-Abraham Lincoln

Mr. J. Edgar Hoover, Director

Washington, D. C.

Dear Mr. Hoover:

A couple of weeks ago, Mr. and Mrs. W. W. Lynch of Dallas visited your office and discussed, among other things, your participation in the Dallas Freedom Forum, September 19-24, 1960. You will recall that this Forum is to be built around the school directed by Dr. Fred C. Schwarz and the Christian Anti-Communism Crusade. Mr. and Mrs. Lynch are vacationing in Colorado and have requested that I write you to confirm certain matters pertaining to the school.

I have been informed by Mr. Lynch, who is General Chairman of the Dallas Freedom Forum, that, while you cannot be present personally to assist us in this effort, you will send to us a telegram in support of the school and that you can send a representative from the FBI to assist with the program. We would like for your representative to be present at the opening luncheon to be held at the Adolphus Hotel, 12:00 O'Clock, on Monday, September 19, 1960 and for him to take 3 to 5 minutes, prior to the main address, to bring greetings from you. Also, we wish for your representative to act as instructor from 3:45 to 5:00 P.M. on Tuesday, September 20, 1960, under the general title of "the role of the FBI." He will be free to leave after this lecture period. We shall be happy to pay all of the expenses involved and make appropriate reservations for him.

We have obtained the very best people available for our school and hope it will be a big success. Some of the instructors are as follows:

Herbert Philbrick
W. Cleon Skousen
Dr. William E. Mayer
Dr. Robert Morriss
Admiral A. C. Burrows, USNR
Capt. E. R. Barnes, USN
Dr. Anthony Bouscaren
Ambassador George Yeah, Republic of China

Naturally, we are quite anxious to confirm the participation of your representative so we can schedule him on the program. Will you be so kind as to give us the name of the individual and any other information that we might need.

Dear Mr. Fullinwider:

Your letter of August 4, 1960, has been received and it is a pleasure to advise you that I am designating Special Agent Arbor W. Gray to address your group at the opening luncheon of the Dallas Freedom Forum on September 19 and to be available for instruction purposes on September 20. Mr. Lynch may have indicated to you a preference for Chief Inspector William C. Sullivan, but I am sorry to advise that his prior commitments prevent him from being with you.

I will be glad to telegraph a short message of greetings to the luncheon assembly on September 19 and will address it to Mr. Lynch as Chairman of the Dallas Freedom Forum.

It was kind of you to offer to pay my representative's expenses, but it is our policy not to accept fees, honoraria or repayments for expenses for these services which we are privileged to render. Please feel free to correspond directly with Special Agent Gray at FBI Headquarters in Washington concerning any additional details regarding his appearance before your group.

I regret that I will be unable to attend but do want to thank you and Mr. Lynch for considering me. You have my best wishes for a most informative Forum.

Sincerely yours,

Dear Mr. Hoover:

My wife joins me in thanking you for your graciousness in receiving us and our son and daughter in-law in your office on July 18.

We were disappointed to learn you can not speak at our Dallas Freedom Forum, but are grateful that you will help us by sending a congratulatory telegram and, possibly, a speaker from the F. B. I.

I am now in Denver on a business trip. Last night the Vice-Chairman of the Freedom Forum, Mr. J. M. Fullenwider, called to say that a large kick-off luncheon is planned for Monday, September 19.

Our Committee members are most anxious to have a speaker from the F. B. I. Inspector William C. Sullivan is the man they prefer. The dates are September 20, thru September 24.

We have the funds to pay travelling expenses and - if Mr. Sullivan will accept it - a modest honorarium. I think we can modify our schedule to fit Mr. Sullivan's requirements within the period of September 20, and 24, inclusive.

Any help or suggestions you can give us will be deeply appreciated.

With best wishes.

Yours sincerely,

Dear Mr. Lynch:

Your August 4, 1960, telegram and letter of August 6 have been received, as well as the letter from Mr. Fullinwider dated August 4.

Due to prior commitments I was unable to designate Chief Inspector William C. I have so advised Mr. Fullinwider and have informed him that I will direct a telegram of greetings to those in attendance at the luncheon.

It was kind of you to offer traveling expenses, but it is a privilege for representatives of this Bureau to provide services of this nature and no fees, honoraria or reimbursements are accepted.

Re DALLAS FREEDOM FORUM

On 8-25-60 I was invited to a "kick-off" luncheon for the Dallas Freedom Forum, which is to be held in Dallas from September 20 through September 24, 1960. SA ARBOR W. GRAY has been designated as a speaker and for his information and the information of the Bureau, enclosed herewith are the program and registration form which were passed out at the "kick-off" luncheon.

9-20-60

~~80-2-5010~~

The Vice-Chairman of the Dallas Freedom Forum, J. M. FULLINWIDER, in his kick-off speech, stated that the purpose of the Freedom Forum is to attempt by a large-scale educational effort to make the general population aware of and understand world Communism, what is freedom, and the theoretical question of "How Do We Keep Freedom?". Mr. FULLINWIDER also stated that the U. S. Navy is sending an official group to audit the entire Freedom Forum lecture program with the view in mind of possibly setting up a similar school within the Navy for new recruits, etc. They hope that the program will gain momentum and eventually national stature. It is backed by some of the most influential men in the Dallas area.

I

Mr. W. W. LYNCH, Chairman of the Dallas Freedom Forum, in his opening remarks mentioned that he had personally talked to Director J. COMMUNISM — A DISEASE

Dallas Freedom Forum

September 20-24, 1960

(See Back)

by Fred Schwarz, M.D.

The Author

Dr. Fred C. Schwarz, Australian Physician and Surgeon, began in 1950 to alert the free world as to the designs of The Communist Conspiracy. In 1953 the Christian Anti-Communism Crusade was formed with a fine Board of Directors. With him now is a fine staff and hundreds of supporters. The CRUSADE is a non-profit, tax-deductible organization which fights Communism at many levels through education, information, evangelism, and dedication.

This is accomplished with—Anti-Communism Schools—Seminars and Clinics—Neighborhood Study Groups — Radio Tapes and Films—Literature Distribution —International Programs providing dedicated Nationals with knowledge and tools —Lectures in Churches, Schools, Clubs, Military and Civic Groups.

Is your life; is my life; an argument for or against the accuracy of that Communist thesis? As the great men and wonderful women of your fine country come face to face with these dangers, you have the unique responsibility to lay the foundation on which liberty shall triumph and tyranny shall fail.

I would like to finish with this poem:

Where the northern ocean darkens,
  Where the rolling rivers run
Past the cold and empty headlands
  Toward the slow and westering sun,
There our fathers long before us,
  Armed with Freedom faced the deep
What they built with love and labor
  Let their children watch and keep.

By our dark and dreaming forests,
  By our clear and shining skies,
By our green and ripening prairies,
  Where the Western mountains rise,
God who gave our fathers freedom,
  God who made our fathers brave
What they built with love and anguish
  Let their children watch and save.

Thank you very much for this great opportunity. God bless you all.

Earth, and Freedom stands menaced and home and children stand in mortal peril, and the challenge to every one of us is this: "What contribution can I make that tyranny may not triumph and liberty may not perish from the Earth?"

I submit that to every individual motivated by love of Freedom, Christian philosophy, dedication to home and family, and love of country, every other issue has become secondary. The simple question is: How can we mobilize every spiritual, ideological, and moral force we have to halt this Communist advance across the earth?

The Communists say that victory is certain—certain for this reason: "We are the product of our economic society. Capitalism is in its dying stages. It has created us without survival value. We are so selfish; so shortsighted; so intoxicated with entertainment; so consumed with our own immediate, personal obectives we will never have the honesty and intelligence to understand the evidence, or the courage and dedication to do what is necessary to survive."

COMMUNISM—A Disease

Address given by Dr. Fred Schwarz of Sydney, Australia, before the combined Houses of the Texas Legislature

Reprinted from the House Journal, Fifty-Sixth Legislature, Regular Session Austin, Texas, March 25, 1959

Dr. Fred Schwarz was escorted to the Speaker's rostrum by a Committee of five Members of the House of Representatives.

Speaker Carr presented Honorable Robert Hughes of Dallas County who introduced Dr. Schwarz to the House with the following words—

Mr. Speaker, Members of the House and Distinguished Guests:

Today it is with great pleasure that I have an opportunity to present to you a distinguished gentleman, doctor and lecturer. This man is from Australia. He is a medical doctor, who, some years ago, left his profession because

he learned, first hand, of the dangers of the Communist Ideology. He has spent the time since then going all over the world to bring this danger to the attention of everyone who comes within the scope of his magnetic personality. He has addressed the Joint Chiefs of Staff, the National War College, Central Intelligence Agency, Congressional Committees, and many other organizations and groups who have come to recognize him as an authority on this subject, and I think that this House will do well to heed the message brought to us this morning by Dr. Fred Schwarz of Australia. I give you Dr. Schwarz.

(Dr. Schwarz then adressed the House as follows)

Mr. Speaker, Representatives and Guests of the State of Texas:

You can confer few greater honors upon a citizen of Australia than the one you have conferred upon me today; the privilege of speaking to the representatives of your vast, uniquely generous, and hospitable, sovereign State of Texas.

A few years back the American Communist party would openly acknowledge that having conquered this land, they would need to put to death one third of the American people. This is not an act of punishment; neither is it an act of revenge—it is the fulfillment of Marxism-Leninism. An act whereby the surgeon takes the scapel to cut away the diseased social tissue that the new and Communistically perfect may come to glorious flower.

We are living in an era of great danger, of vast peril; an era when the very future of our children is desperately menaced.

Communism is the literal fulfillment of Psalm XIV. "The fool hath said in his heart, There is no God. They are corrupt, they have done abominable works. There is none that doeth good." Emerging from this bottomless pit of Godless materialism, captivating by a glamorous vision of a regenerate mankind, utilizing the perverted religious fervor of youth, and every scientific method, this torrent is sweeping the

the infiltration of every institution of American life. Stalin deceived the American and free world statesmen; Stalin brought them to the very eve of World Conquest.

A few generations hence when Communism has triumphed and man is being remolded according to the Communist goal and universal happiness covers the earth, the name of Stalin will be honored and revered.

The tragedy of Communism is not merely that it murders; it makes murder a moral and a righteous act. When they deny the foundation of civilization, our Christian heritage; when they deny God, and His creative and redemptive love; they destroy the very foundations on which our individual value is built. In its place, the cold scientific morality of mathematical statistics emerges.

When the Communists have conquered the world, they will be left with the residual capitalist classes whom it is their duty to destroy. This is their proletarian moral duty.

I am, by profession, a physician and a surgeon; concerned with the preservation of health and life. Communism has already killed many millions of people and proposes to kill many millions more. Therefore, by definition, it is a disease.

It is a three-fold disease. It is a disease of the body, because it kills; a disease of the mind, because it is associated with systematized delusions not susceptible to rational argument; and a disease of the spirit, because it denies God, materializes man, robs him of spirit and soul, and, in the last analysis, even of mind itself and reduces him to the level of a beast of the field.

The disease of Communism is making fast epidemic progress and we are confronted, not merely with the possibility, but with the probability that at present rates of expansion, within a generation it will have consumed the entire Earth.

The most essential feature in the treatment of any disease is accurate

diagnosis. We have a saying in the medical profession: "It is better to have the right operation done poorly than the wrong operation done very well." If the trouble is in the appendix, you can gather the world's outstanding surgeon and he can admit you to the very finest hospital, gather together superb assistants in nursing and anesthesiology and together they can do a perfect operation to remove your gall bladder. That operation may be the very finest ever performed, but it does suffer from the minor disadvantage—it will not cure your original appendicitis.

It is quite obvious that our treatment of Communism is a colossal failure!

The enemy advances from strength to strength. The free world retreats. The area of freedom continually shrinks. Every move that we make is apparently unable to halt this advancing force! I would like to ask the question: Is it possible that our failure in this struggle has rested upon an inaccurate diagnosis? If we diagnose wrongly we

Khrushchev indicated Stalin was a stark, raving, madman. "When you went in to see him in the morning, he would look at you and say, 'What have you been up to? You've got a shifty look in your eye today.' You never knew whether you would leave as his friend or under armed guard to be shot." Then he finalizes as follows, "Don't misunderstand me. Stalin was a good man. He was a Marxist-Leninist. He did these things as a Marxist-Leninist." In the class morality of Marxism - Leninism Stalin's personal individual idiosyncracies were immaterial. Stalin is the man who set up the educational program in Russia which today is graduating three times as many engineers and scientists as America, and, when their China program matures, will graduate ten times as many. Stalin is the man who set up their submarine program that has brought the shadow of impending doom over the lives of every one of us from missiles launched from the Gulf of Mexico; Stalin set up their scientific program; Stalin organized the conquest of China; Stalin organized

most evil of characters and acts with garments of virtue and beauty.

Never was this brought out so effectively as in Khrushchev's speech on Joseph Stalin. Khrushchev revealed much about Stalin in that speech, but he revealed a great deal also about Khrushchev. Most people missed its point entirely. They think that Khrushchev condemned Stalin. He did nothing of the sort! He depicted Stalin and finally commended him. Khrushchev said in effect, "Stalin was a murderer; he was not a reluctant murderer, but an enthusiastic murderer. He enjoyed murder. He got a thrill out of the torture of his own friends. When the Jewish doctors were arrested and accused of poisoning Zdanov, the Commuist leader, Stalin called in the man responsible for examining them and indicated the type of torture to be given to each one. He gave three fundamental rules for getting the confessions: "Beat, beat, and beat again." He said, "If you don't get a confession by this date, we will shorten you by a head."

are certain to treat ineffectively. What is Communism?

I am a salesman of a very simple idea. This idea I find very difficult to sell, and I have never been able to understand why. It is not hard to sell the idea that the football team desires to make touchdowns, that the library has books in it and not groceries; that the hen lays eggs and not grapefruit. But I find it tremendously difficult to sell the idea that the Communists are Communists; that they believe what they say they believe; that their organization is the organization they outline; that their objectives are the objectives they proudly proclaim. Once we take the simple step of acknowledging that the Communists are precisely what they say they are, the entire mystery vanishes, and their entire program derives a purposeful integrated unity that is not only comprehensible, but is almost mathematically predictable.

Nikita Khrushchev recently said "anyone who thinks we have forsaken Marxism-Leninism is crazy. That won't

happen until shrimp learn to whistle!" What is Marxism-Leninism? It is vitally important that we should understand precisely what this alleged science is.

To put it very briefly, Marxism-Leninism teaches that there is no God; that men and women are animals devoid of soul, spirit, significant individual value and continuity of life, and that the human animal species has been divided by its economic environment into warring classes and that the basic dynamic of capitalist society is a state of war which Marx called the "class war." The basic doctrine of Marxism-Leninism is simply this: War is universal. This war is between the two classes—the proletariat and the bourgeoisie, as they were originally called. The proletariat allegedly represented the class of labor; the bourgeoisie represented the class of property ownership. Between these two there is a permanent, truceless state of warfare.

Now according to the Communist theory of Marxism-Leninism the class of property ownership controls the state

proletarian truth. The tragedy is this: 100 people in the uncommitted areas of the world will see and believe this evil lie, for every one that reads and hears the true story of the shooting down of the unarmed American Transport Plane over Soviet Armenia by the Communist fighter planes.

Be not deceived—evil communications corrupt good manners. When we realize the vast distributiton of this literature in every country of the World, we get a little insight into why the American Vice-President and his wife were stoned and spat upon South of the Border, why the American Embassy personnel recently had to flee in Bolivia from raging mobs. The harvest of Communist lies is being reaped and frankly, the apparent program of the free world, which seems to be to provide electric light in these backward countries so that the Communist literature can be read, scarcely makes sense to me. The Communist programs go on ceaselessly. Everything is a weapon. Communist ideology crowns the ugliest and

backs. The shaft presented a most gruesome scene.

"Honest-minded people can not but hate and condemn the American Imperialist murderers whose lust for blood knows no end.

"Funeral services for the murdered took place in the Rakyun mine in the midst of children's crying for their lost fathers, old women wailing over their dead sons. The people's enmity and curses upon the American devils rent the air. 'Avenge us of the American imperialists.' This was the cry of the 800 murdered.

"But even at the moment in South Korea, the American murderers are slaughtering our brothers and sisters. This we can not tolerate.

"American cannibals, get out of Korea immediately."

Tell a lie, make it big, repeat it often, and the majority of people will believe you. It was Hitler who said this. The Communists have translated that concept into a vast science of

government. You gentlemen and ladies represent, according to Communist theory, the mechanism by which the bourgeoisie enslaves and exploits the working class. On the other hand the proletariat generates its higher command, the Communist Party. This war manifests itself as war between the Communist Party and the government. Now according to Marxism-Leninism, the Communists did not declare this war; they did not even necessarily desire it. They simply recognized it and recognized their historic duty to consummate it in victory. Originally this war is within a state manifesting itself as war between the Communist Party and the Government. With the progress of history, Communism has come to power in the name of the proletariat, in Russia, in China, in Eastern Europe; the bourgeoisie remains in power in America and in associated countries. Therefore the class war has transferred itself from the national to the international plane. The fundamental doctrine of Marxism-Leninism is that Russia and America are at war; that China

and America are at war. The war is universal, truceless. It embraces every facet of human life. The weapons of this war are multiple, not merely the traditional weapons of guns and bombs and military science. Trade, language, cultural interchange, sports, arts, education and religion — everything is a weapon in this class warfare. War is universal!

Since the basic Communist doctrine is that Russia and America are at War, what do they mean when they talk about "peace"? There is no word in the Communist lexicon used more frequently than the word "peace." Wherever Communists are gathered you find the word "peace" displayed. They have "Peace" movements, "Peace" prizes, "Peace" festivals—the dove of Peace is their symbol.

Now since war is the present state of being, what is "Peace"? Most of you think the Communists are hypocrites, that they do not genuinely desire peace. With that I cannot agree. If you took a Communist and gave him a lie detector

"Mankind remembers the shocking atrocities the Hitlerites perpetrated in the concentration camps in Majdanek and Oswiencim.

"Recently another case of atrocities by the American murderers which exceeds in its cruelty the atrocities by the Hitlerites was discovered in Korea.

"In a shaft of the Rakyun Mine, Jangyun County, South Hwanghai Province, some 800 dead bodies were discovered.

"During their temporary occupation of Jangyun County during the Korean War, the American murderers rounded up miners of the Rakyun mine and the peasants in the nearby villages and put them through severe torture. Then the American devils kicked the tortured miners and peasants into the shaft 100 meters deep.

"In the shaft corpses were piled up on top of one another, and the torn pieces of the bodies bore bullet holes and scars made by the bayonets. Many mothers had their babies tied on their

Here is an example of the Communist truth—proletarian truth — with which they are deluging the world. This is a magazine put out in English by North Korea. The major part of it is given over to an alleged record of achievement by Communism in North Korea. As we near the end, we have a page entitled "Massacre Committed by American Brutes." On this page there are six photographs of bodies taken from a mass grave and the weeping relatives of the victims. Now the truth—what they call the bourgeois truth is this: When the Communists retreated in North Korea before the advance of General MacArthur, they took with them all able-bodied personnel. But those who belonged to the untrustworthy class and who could not stand the rigors of the northward journey, they simply massacred and put the bodies into mass graves. These included old men, pregnant women, mothers of very young children, etc. They have desinterred one of their own mass graves and are accusing the Americans of this crime. Listen to what they write:

test and asked him if he desired peace with all his heart, he'd pass it with flying colors. They live for peace; they long for peace; they yearn for peace. Peace is the golden day of their dreams; the fulfillment of the yearning of their hearts. But what is "Peace"?

During the war against Germany and Japan, didn't you long for peace? When I ask normal American citizens if they desired peace, invariably the answer is that they yearned for peace with their whole heart. I ask "What was peace?" They say "Oh, the end of hostilities." I ask, "Do you include the end of hostilities in enemy victory?" They reply, "Oh, no we had to win it." Peace, by definition, was the end of the war in American victory, not in defeat. The Communists believe that they are the historically ordained class that is to consummate this class war in world Communist victory. By definition peace is: Communist world conquest. Since peace is Communist conquest, every act that ministers to Communist conquest is peaceful. If they

shoot you, they take a peaceful gun; they put a peaceful bullet in your warlike brain; they give you a peaceful death, and they bury you in a peaceful grave. When the armies of the Communist Chinese advanced with tanks and guns and bombs and bayonets, littering the field with dead, it is the advance of the forces of Peace. Peace is wonderful. When Khrushchev ordered the Russian tanks into Budapest to fire into the apartment buildings reducing them to rubble, entombing men, women and children, in his heart he was confident that he was consummating "glorious" peace.

The Communists can use the word "peace" with total sincerity in their own sense. We interpret it in our sense. And we are the pathetic victims of their deceit. The Communists are not hypocrites. If they were hypocrites our task would be infinitely simpler. A hypocrite can make a bargain; a hypocrite can be appeased. The Communists are so totally committed to their program of World Conquest, so totally

committed to the concept of the universality of class war, that they have crossed the borderline of sanity and we are dealing with paranoic mentality beyond the reach of logic and reasonable appeal.

This class war is universal. From it every term derives its definition. Lenin proudly proclaimed that Communist morality is related to the class struggle —there is no such thing as good—there is no such thing as evil—there is no such thing as truth—there is no such thing as falsehood. Proletarian good is that which ministers to Communist World Victory. Any act that assists Communist Conquest is by definition "good." Any act that advances Communist World Triumph is by definition "peaceful." And any statement that advances World Communist Conquest is by definition "true."

The Communist never tell lies in the interest of Communism. If a statement is in the interest of Communist advance by definition it is the "truth."

Dear Curt:

Reference is made to your memorandum to the Bureau dated August 26, 1960, captioned "Dallas Freedom Forum."

Because of other lectures on my schedule, I am passing this one up and have designated one of my men, Arbor W. Gray, to take it for me. He will do a good job.

If it is possible, would you find out what the speakers are going to select for their subject. I see from the newspaper article you enclosed that there will be quite a list of speakers , and it would be helpful if we knew what each one had selected so that we could be guided accordingly and avoid repetition. The above information can be sent to me personally in a note from you or from your office.

With all good wishes,

Cordially,

On 9/15/60, MR. CECIL L. WOODGATE, Attorney, Fidelity Union Building, Dallas, Texas, advised ASAC DAVID W. BREEN and SA W. HARLAN BROWN that he understood the H. L. Hunt, Dallas oilman, was one of those who were the financial sponsors of the DALLAS FREEDOM FORUM.

He also understood that FRED C. SCHWARZ, of Sydney, Australia, who is listed on the program as the President of the CHRISTIAN ANTI-COMMUNISM CRUSADE, and JAMES D. COLBERT, Vice-President of the CHRISTIAN ANTI-COMMUNISM CRUSADE of Long Beach, California, are sponsored by a financial "angel" on the West Coast. He remarked that SCHWARZ spends much of his time traveling in behalf of the ANTI-COMMUNISM CRUSADE and makes his livelihood from this source.

Dear Sir:

I am a Christian American! I have never so much as written a letter of opinion or advice to a newspaper or publication (this may be good or bad). I have sat here in my apathy and ignorance, feeling that "they" (the powers that be in Washington) would, by some miraculous means, always come out on top, thus assuring me of a perpetual life of "milk and honey" in glorious America. I HAVE HAD A RUDE AWAKENING AND AM LITERALLY SCARED TO DEATH! And the peculiar thing is that I am not - or never have been - an alarmist. If the world comes to an end tomorrow - so be it!

I spent several days last week at the Dallas Freedom Forum at the Adolphus Hotel in Dallas. I was left shocked, horrow-stricken, worried, confused, disappointed in myself and all of us - but with a great zeal to try to do something, anything, to awaken myself and others to the condition that exists with relation to Communism - if it is true! Our local newspaper man was just in our store. I told him that he had missed the greatest expose of American apathy ever presented in our area. His reply was: "Phooey, on that Fascist baloney!"

I want to know if the members and speakers who participated in the Dallas Freedom Forum are pro-American and if the Christian Anti-Communism Crusade, Dr. Fred Schwarz, Mr. W. P. Strube, Jr., et al, should be supported in every way. I also want to know about Dr. Billy Gene Hargis, Christian Crusade, Box 977, Tulsa 9, Oklahoma. Is he what he represents himself to be, or are we again being taken down the "garden path"?

DALLAS FREEDOM FORUM

The Bureau has had previous correspondence concerning the Dallas Freedom Forum, and a speaker from the Bureau appeared at the Forum in Dallas this past Fall.

Mr. J. M. FULLINWIDER, Vice-Chairman of the Dallas Freedom Forum, contacted me on 11/29/60 regarding a matter which I had previously discussed with him. He advised that the Freedom Forum has made an arrangement with the Superintendent of the Dallas Independent School District to bring to the attention of all Dallas school children the necessity of knowing the Communist menace and how to protect American Democracy. In the furtherance of this program, the Dallas Independent School District has agreed to distribute to all its teachers, principals and libraries material furthering this cause. The primary information they will distribute is that which is contained in the "FBI Packet". The Dallas Independent School District has 4,349 teachers, 152 principals and 152 libraries. The Freedom Forum is therefore requesting 4500 "FBI Packets" to be sent directly to the Dallas Freedom Forum, P. O. Box 7351, Dallas 9, Texas. This packet contains the following documents:

1. Expose of Soviet Espionage, May 1960, 86th Congress, 2nd Session, Senate Document 114.

2. Communist Target -- Youth. Report by Hoover on rioting in San Francisco against House Committee on Un-American activities' hearing May 12-14, 1960.

3. One Nation's Response to Communism. Hoover, September, 1960.

4. An Analysis of the 17th National Convention of the Communist Party, USA. Hoover, March, 1960.

5. What You Can Do to Fight Communism and Preserve America. Hoover (1 page - letter size)

6. Communist Illusion and Democratic Reality. Hoover, December, 1959.

I feel this is an excellent opportunity to keep the Bureau in the eyes of the public in a favorable light and therefore it is earnestly reuuested that the Bureau send the 4500 packets, as requested by Mr. FULLINWIDER. I would appreciate it if a copy of the letter to Mr. FULLINWIDER, advising him that the packets have been shipped, be sent to the Dallas office in order that I can follow this matter.

A second phase of the program being promoted by the Dallas Freedom Forum and which I have encouraged, is an essay contest to be sponsored by the Dallas Freedom Forum on the topic of the Menace of Communism or some related title. The Dallas Independent School District has OK'd the contest and the prizes will be two or three, and possibly four, $1,000 college scholarships, which will be given by the Dallas Freedom Forum. The essay must be written by use of certain reference books, and prominent on this list of reference books will be J. Edgar Hoover's book "Masters of Deceit". The Dallas Independent School District has tentatively agreed to purchase the necessary books, including "Masters of Deceit", and the Freedom Forum has in mind that each high school should have at least one copy of the book "Masters of Deceit" for ready reference purposes. I advised Mr. FULLINWIDER that I would be happy to order these books for him and I felt that he could possibly get them at a price below that which is paid on the book stands. Also, I ventured the thought that if the school system desired, he could have these books individually autographed to each school by the Director. Bureau advice is respectfully requested as to whether he would be able to obtain the books at the Bureau's reduced price of $2.95 and have them autographed for the Dallas School System.

FROM : SAC, DALLAS (62-2922)

SUBJECT: DALLAS FREEDOM FORUM

Re Dallas letter dated 11/30/60.

Referenced Dallas letter pointed out that the Dallas Independent School District was inaugurating a program through the help of the Dallas Freedom Forum in bringing the Communist menace to the attention of schools in the Dallas Public School System. Since this was announced publicly in the newspapers there have been a considerable number of arguments, pro and con, and enclosed herewith are two newspaper clippings from the Dallas Times Herald concerning this matter. It is noted that 3 names are mentioned in the two articles as being opposed to the program: Rabbi LEVI OLAN of Temple Emanu-El; District Judge SARAH T. HUGHES, Dallas County District Judge; and Dr. JOSEPH CULLIMAN, Dean of the Perkins Theology School, SMU, Dallas.

On 12/14/60 J.H. FULLINWIDER, Vice-Chairman of the Dallas Freedom Forum, called me and advised that the "liberals of Dallas" were up in arms as to the proposed program in the Dallas School System and at the regular school board meeting which was to be held today he had been warned that the persons opposed to the program would voice their objections. The Dallas Freedom Forum would be represented by Mr. FULLINWIDER and Mr. W.W. LYNCH, a wealthy Dallas businessman and Chairman of the Dallas Freedom Forum. Mr. FULLINWIDER's purpose in calling me was to advise me for the Bureau's information and stated that he did not have any info to indicate those opposed to the program were Communists but he personally felt that all 3 of the persons mentioned above were definitely liberals and in his own mind what he termed, "Socialists." Mr. FULLINWIDER

advised that it appeared to him that the biggest argument by the "liberals" against the program was that Dr. FRED SWARTZ, President of the Christian Anti-Communism Crusade, was assisting in the promotion of the entire program and would undoubtedly gain financially because several of his books and pamphlets were to be utilized. As noted in relet the Director's Book, "Masters of Deceit" and the FBI Packet are also scheduled to be a part of the instructional material used by the school system.

For the Bureau's info, Dallas indices reflect no record on Dr. JOSEPH QUILLIAN.

Regarding Rabbi LEVI OLAN, Dallas, the only identifiable Dallas indices reference is that the name Rabbi LEVI A. OLAN, 10 S. Boulevard, Dallas 15, Texas, appeared on a partial mailing list of the Southern Conference Educational Fund, Inc. which list was furnished an agent of the New Orleans Office by FRANCIS BERNARD, a businessman in that area. The Southern Conference Educational Fund, Inc. is the subject of internal security investigation in which the New Orleans Office is origin and by letter dated 11/12/58 entitled, "Southern Conference Educational Fund, Inc. IS-C; ISA, 1950" the New Orleans Office distributed to the Bureau and all other field offices a thumbnail sketch of this organization.

The above mailing list, it is noted, contains the names of a great number of highly placed educators and men prominent in the religious field in the Dallas area.

The following information pertaining to District Judge SARAH T. HUGHES was reflected in Dallas indices:

In 1941 information given the San Antonio Office by the Texas DPS named Judge SARAH HUGHES of Dallas as one of the members of the League for Peace and Democracy, which organization the information identified as "allegedly originated by the CP." 100-293-93

On 9/23/44, [redacted], identity known to the Bureau, reported on a meeting of the Peoples Educational and Press Association (PEPA) in Dallas. At this meeting there was discussed the formation of a non-profit book store for the organization. It was stated a prospectus of this project would be sent to prospective sponsors and if these individuals did "nothing more than agree with the idea" they would be listed as sponsors. One of the individuals suggested to be a recipient of b7D

the prospectus, informant said, was Judge SARAH T. HUGHES.

The PEPA according to informants of the Dallas Field Division was formed to replace the CP for a time in this area. In this regard informants pointed out that its executive committee consisted wholly of CP members. 100-293-571

[redacted], identity known to the Bureau, reported on a meeting of the PEPA held on 2/27/45. Informant said in the course of this affair, one DAVE CARPENTER, a member of the Executive Committee and State President of the PEPA, remarked that a letter of congratulations had been received from Judge SARAH T. HUGHES on the good work of the "Texas Survey", a paper put out by the PEPA. 100-293-634 b7D

In July, 1950, Judge SARAH T. HUGHES of Dallas personally identified herself as a member of the Council of United World Federalists in Dallas. 100-0-3445

On 10/28/54 [redacted] and [redacted], identities known to the Bureau, stated there was a meeting of the Central Democratic Club of Dallas held on 10/20/54. Judge SARAH T. HUGHES was present at this meeting, informants said, and gave a short talk on UN activities, passed out some announcements of the meetings to be held in Dallas concerning activities of the UN and discussed several amendments being introduced in the State Legislature and asked those present to vote for those. b7D

With respect to the Central Democratic Club of Dallas, informant categorized it as an organization infiltrated by Communists. Informant said that/the above meeting there were amongst the 20 or so persons present, at least 7 individuals known to them as members of the CP. 100-671-Sub24-27

On 4/20/55 [redacted], identity known to the Bureau, advised there was a Dallas NAACP meeting held on 4/18/55 which meeting was attended by "some members of the CP." This meeting featured as speaker a Judge HUBERT T. DELANEY of New York, informant said, adding that DELANEY was introduced at the meeting by Judge SARAH T. HUGHES of Dallas. Dear Mr. Hoover:

A group of parents in our community is vitally interested in the methods of presentation and qualifications of the persons who are teaching our children the dangers of communism.

I am enclosing some clippings from the Dallas Times Herald concerning this subject. I understand that people who recently participated in the Freedom Forum held in Dallas have volunteered to come to our school or community and relate the information they received there.

We would like very much to know if Dr. Fred Schwarz has a recommendation from your department? Since he is from Australia we wonder if the F.B.I. has available personnel to lecture and teach about communism from our own state or at least from the United States?

We will sincerely appreciate any information or advise you can give us.

Sincerely,

/s/ Christine Pitt

Dear Mrs. Pitt:

Your letter of December 9, 1960, with enclosures, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the FBI is an investigative agency of the Federal Government and, as such, does not make evaluations or draw conclusions as to the character or integrity of any organization, publication or individual. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or that we do not have data in our files relating to the subject of your inquiry.

In response to your inquiry, the heavy commitments confronting this Bureau make it impossible to designate a speaker for your group. I am sorry this situation exists, but I hope you will understand my position. Enclosed is some material dealing with the general subject of communism which may be of interest to you.

Sincerely yours,

J. Edgar Hoover

Dear Mr. Hoover:

We express our appreciation for the invaluable assistance rendered by you and other members of your staff to efforts of the Dallas Freedom Forum. Your recent forwarding of several thousand copies of literature concerning the Communist menace for distribution through the Dallas Public School System is greatly appreciated. The Superintendent of schools is delighted with the material and is proceeding carefully but firmly with the insertion of this material into the curriculum of certain civic and history courses.

Mr. Arbor Gray, the agent assigned to speak before the Freedom Forum's September symposium, did an excellent job, was well received and a credit to the Bureau. The Forum was an overwhelming success, and the resulting interest and activity on the part of thousands of people all over the Southwest is amazing. Your assistance to this program has contributed mightily.

Our congratulations to you for your recent reappointment and acceptance to the position of Director. Your continued service to the security of this nation under succeeding administrations is a source of comfort and strength to many of us. We of the Dallas Freedom Forum offer you our support and best wishes in your work.

Very truly yours,

'Revolt Against Masses' Cited by Conservative

Americans are awakening to the fact that a number of minority groups within the United States "are threatening the civilized social order" of the nation.

This realization, coupled with the feeling that the world struggle is going badly for the West, is resulting in a groundswell of support for the conservative political philosophy.

So said Dr. James Burnham one of the nation's most eloquent spokesmen for the conservative cause Friday.

The New York University educator, author, and lecturer was in Dallas and Dallas Freedom Forum's symposium on Africa. Sessions are being held at the Statler Hilton Hotel.

"You might say that there is a 'revolt against the masses' on the part of the thinking people in this country," Burnham told The Dallas News.

"It is a trend that was emphasized during the recent presidential election when big city groups of Negroes, Mexicans, Puerto Ricans and other minority swung the vote for Mr. Kennedy. This caused many people to open their eyes . . . there is real alarm that the fate of the nation is in the hands of such people."

On the other hand, the greying professor noted that these same "thinking people" feel that the measures taken by previous administrations, Republican as well as Democratic, haven't been enough to stem the tide of communism.

"They realize that our national survival is at stake, that we are doing very badly in the world struggle and they look to conservatism to rectify the situation," he said.

Burnham observed further that many young Americans have become bored with the welfare state concept and, as an alternative, are becoming conservatives.

Although he made constant references to the "new form" of conservatism rampant in the nation, he explained that it was new only in that its influence is new and expanded.

"As it always has, still today it emphasizes the traditions we as a nation have inherited from the past—our Constitution and our laws.

"It is opposed to the extreme revolutionary philosophies that have appeared throughout the the world in this century. That includes much of the liberalism that has made itself felt in this country in the form of the welfare state concept and other socialistic trends.

Re: CHRISTIAN ANTI-COMMUNIST
CRUSADE;
DALLAS FREEDOM FORUM

Dear Sir:

This is to acknowledge your letter of August 15, 1961, in which you inquired concerning the Dallas Freedom Forum and the Christian Anti-Communist Crusade.

The Dallas Office has not conducted an investigation of either organization. The Dallas files reflect that the Dallas Freedom Forum was organized in September,, 1960, with Mr. W. W. Lynch, president of Dallas Power and Light Company, Dallas, Texas, as president. This organization is dedicated to educating the public as to the dangers of communism.

The Dallas files reflect that Dr. Fred C. Schwarz, M.D., is the executive director of the Christian Anti-Communist Crusade, and a Mr. W. D. Struve, of Houston, Texas, is secretary of this organization.

No investigation conducted by the Dallas FBI Office pertinent to your inquiry [illegible] result of a check of the Dallas FBI [illegible] only, and is not to be considered as a clearance.

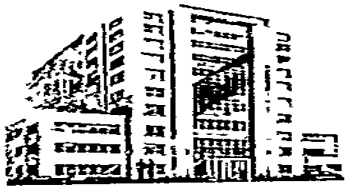
Office of the Mayor

CITY OF DALLAS



Proclamation

Whereas: Dallas citizens, as well as free men everywhere, have always been equal to their civic responsibilities when made aware of the realities; and

WHEREAS, each of us needs to feel a deep and personal responsibility toward the preservation of our freedom,

NOW, THEREFORE, I, as Mayor of the City of Dallas, do hereby proclaim the week October 29 - November 4, 1961, as

FREEDOM WEEK IN DALLAS

and urge that it be set aside as a week during which our citizens will enlighten themselves on the insidious workings of an international conspiracy that is dedicated to the destruction of our fundamental constitutional rights as free men. I especially hope that every citizen will think during this special time of what it means to them to have freedom to worship, to speak freely, to assemble in groups, to privacy in our homes, to trial by jury, to move about and change jobs freely, to own private property, to a secret ballot, to free elections, to government designed to serve them and protect their personal dignity and personal freedoms, all of which may be taken away if the forces of communism should prevail.

Mayor, The City of Dallas

"The people never give up their liberties but under some delusion."

—Edmund Burke

STRUBE TELLS FREEDOM FORUM

U.S., Communist War Underway

(See Picture, Page 6, Sec. 1)

The United States is already at war today with the Communist conspiracy, a Houston insurance leader said here last night.

"We are at war just as surely on this Jan. 11, 1961, as we were on December 1, 1941," said William P. Strube Jr., president of the Mid-American Life Insurance Company and a leader in the Christian Anti-Communism Crusade movement.

"No, I don't have my dates mixed up," he continued. "I know the attack on Pearl Harbor came on Dec. 7, 1941. But on Dec. 1 of that year, the Japanese knew that we were at war. Their fleet had already left Japan. They knew we were at war, but the few voices who warned us in this country were scorned as 'alarmists'."

Strube spoke to a crowd of more than 250 Tylerites and East Texans at the Blackstone Hotel last night at a meeting called to plan and explain the Tyler Freedom Forum, which will be conducted here March 14-18 by speakers from Strube's organization.

He explained that the Freedom Forum is an educational effort aimed at familiarizing Americans with the Communist threat to our existence.

Delegates from Palestine, Overton, Mt. Pleasant, Sulphur Springs, Longview, Kilgore, Jacksonville and Lufkin attended the meeting.

The Communists have set 1973 as the target date for conquering the United States in their blueprint for world conquest, Strube told the audience.

"Lenin has been dead for many years, it is true," he said, "but his blueprint for conquest lives after him."

The blueprint envisioned Eastern Europe falling first to Communism. Then, in order, Lenin said the Communists would gain control of Asia, India, Africa,

STRUBE

(Continued from Page 1, Sec. 1)

Western Europe and the United States, Strube said.

"Unless we get up off our apathies, instantly and instantaneously, I'll never see my children graduate from high school" in a free country, he said.

The pattern for Communist domination is encirclement, then demoralization and finally surrender, he said. He pointed to Communist successes in Cuba and to Red activities in Central America and Mexico as part of the encirclement process.

"There are 1100 Russians in the Russian embassy in Mexico City," he said. "You'd naturally think that, in order to handle all the paper work that must flow both ways in diplomatic circles, Moscow would need about an equal number of Mexican nationals in Moscow. But there are less than 50 Mexican nationals in the Moscow embassy of Mexico." He described Mexico City as one of the centers of Red activities in the hemisphere.

He told the audience that Russian Premier Nikita Khrushchev's oft-expressed desires for peace are sincere. "It all depends upon what you mean by the word 'peace'," he said.

"When we were fighting World War II, what did peace mean to you?" he asked the audience. "It meant the end of hostilities, true. But did it mean the end of hostilities with Japan and Germany victorious over us? No!

"And that explains why Khrushchev is sincere in wanting peace. To him the word 'peace' means Communist domination of the world."

Strube said that semantics — the meaning of words—is one of the reasons Americans so often misunderstood Communist plans and intent.

A Communist will not lie for Communism, he said, because to him, a lie has no relation to truth or falsity of facts—it merely means a statement that does not serve Communist world domination.

Strube urged Americans interested in combating the aims of Communism first to learn something about it and "don't go off half-cocked, looking under every bush for a Communist."

The purpose of the Freedom Forum, he said, is to teach Americans how to identify the Communist line. "Our hope is that you will then find ways in your own everyday life to meet its challenge," he added.

W. W. Lynch of Dallas, president of the Texas Power and Light Company, and chairman of the Dallas Freedom Forum held last September, said that his group had investigated the idea thoroughly before undertaking it.

"We went directly and inquired of FBI Director J. Edgar Hoover if he thought such a program desirable," Lynch said. "He stated that he thought this an essential activity, and that the Christian Anti-Communism Crusade and the Freedom Forum has his highest commendation." Lynch said Hoover declined an invitation to attend the Dallas Forum because Congress was in session, but sent one of his staff to address the Forum.

M. J. Harvey, chairman of a 44-man advisory board for the Tyler Freedom Forum, presided. Shirley Simons Jr., local architect, was master of ceremonies. Mrs. Sam Bracken, vice-chairman, spoke briefly.

OFFICE OF THE PRESIDENT

January 6, 1961

Dear Friend:

As you may or may not know, there is to be a Freedom Forum conducted here in Tyler on March 14th - 18th. I have been given your name as a potential key worker in behalf of this project.

Very briefly, in case you are not familiar with it, the Freedom Forum is an anti-communism, pro-Americanism school, sponsored by a local group in conjunction with the Christian Anti-Communism Crusade. We hope you will become a member. Dr. Fred Schwarz, a noted Australian M. D., is president of the C.A.C.C. and furnishes the faculty for the school. This faculty, consisting of the foremost authorities on the Communist conspiracy in the entire world, conducts lectures each day from 9:30 A.M. to 10:00 P.M. It is an eye opening and most inspirational program.

Freedom Forums have been held in major cities all over the United States... six more are already scheduled for the first half of 1961. We are proud to be one of the cities assuming the responsibility of rendering this great service to the people of its area. Tyler is by far the smallest city to undertake this job and some extra work on our part will be necessary to insure its success. We are prepared to do this work. In conducting this Forum, we will be collectively contributing more to the causes we hold dear than we could as individuals in the sum of our lifetimes.

To thoroughly familiarize our Advisory Board (a list is enclosed for your file) and our key workers with the actual Forum program and, equally important, to illustrate the vital need for it, we have scheduled a dinner-meeting for the evening of Wednesday, January 11th. Mr. Bill Stroube, President of Mid American Life Insurance Company of Houston, and a member of the faculty of the Forum, will be present to address us at that time. Mr. Stroube is a noted authority of Communism, I am advised, a fine Christian gentleman, and an outstanding speaker. The dinner will be held at the Blackstone Hotel Ball Room, convening promptly at 7:00 P.M. Your wife (or husband) is cordially invited to attend with you.

Please mark your calendar for this important date and let me hear from you on the enclosed self-addressed postcard as to whether or not you will be able to be present. I will look forward to seeing you at that time.

Sincerely yours

M J Harvey

Freedom Forum Plans Advanced

A number of outstanding speakers, including Dr. Fred Schwarz physician and theologian from Sydney, Australia, and noted authority on the Christian answer to Communism, have been scheduled to address the Tyler Freedom Forum March 14-18 in Tyler Civic Auditorium.

"The objective of the Tyler Freedom Forum," said M. J. Harvey, chairman, "is to reveal basic information concerning the Communist mind, morals, motives and methods. No people have more to lose than Americans should the world go communistic."

"This is a call for community education to revitalize American character and repudiate world Communism," said Mrs. Sam Bracken, co-chairman.

Day and evening sessions will be held during the week the Forum is in Tyler, Harvey said. The Forum is one of many nationwide schools with local sponsoring committees to educate East Texas citizens on the insidious ways of the Communists' minds and their plan of taking over the whole world by 173.

"The Tyler Freedom Forum" Harvey said, "will explain Communism's amazing conduct, its history, its basic and unchanging concepts—even its secret time table of conquest."

Dr. Schwarz and the other speakers will answer such vital questions as "Why Did the West Lose 850 Million Allies After World War II?" "What Really Happened in Korea?" "What Is Communism's Secret Weapon?"

In addition to Dr. Schwarz, other speakers will include:

W. Cleon Skusen of Salt Lake City, Utah, author of "The Naked Communist"; Fred Schlalfy of St. Louis, Mo., member of the Commission of the American Bar Association on Communist Strategy, Tactics and Objectives, and co-author of the ABA Report on Communism; the Rev. Stephen Dunker, C.M., of St. Louis, veteran missionary in China, two years under Communist regime; Capt. E. R. Barnes U. S. Navy, of San Diego, naval chaplain and noted authority on Communism; James Colbert of Long Beach, Calif., vice president of the Christian Anti-Communism Crusade;

This is accomplished with Anti-Communism schools, seminars and clinics, neighborhood study groups, radio, tapes and film.

Hello:

I understand that there will be a series of lectures given by Freedom Forum at the Tyler Civic Auditorium on March 14th through the 18th.

I wonder if you could tell me something about this organization. If it is a worthwhile organization with a worthwhile mission, I would like to suggest that a group come up from Frankston to attend one of the lectures or discussions or whatever they will have.

Thank you.

Sincerely

MR. J. EDGAR HOOVER, DIRECTOR
U. S. DEPARTMENT OF JUSTICE
FEDERAL BUREAU OF INVESTIGATION
WASHINGTON 25, D. C.

DEAR MR. HOOVER:

AS WAS EXPLAINED TO YOU BY MR. M. J. HARVEY IN HIS LETTER TO YOU OF DECEMBER 22, 1960, WE ARE TO HAVE AN ANTI-COMMUNISM SCHOOL IN TYLER MARCH 14 THROUGH 18, 1961. THIS SCHOOL WILL BE PATTERNED AFTER THE DALLAS SCHOOL THAT WAS CONDUCTED IN SEPTEMBER, 1960. WE WILL HAVE THE SAME TUITION RATE ALTHOUGH WE WILL HAVE A SLIGHTLY HIGHER BUDGET. OUR ADVISORY BOARD HAS AGREED TO UNDERWRITE ANY LOSS THAT WE MAY INCUR.

WE ARE ENCLOSING A COPY OF OUR SPEAKERS SCHEDULE IN ORDER FOR YOU TO DETERMINE THE NATURE OF OUR PROPOSED SCHOOL. WE ARE ALSO ENCLOSING A LIST OF THE TYLER CITIZENS COMPRISING OUR ADVISORY BOARD. THESE ARE ROUGH REPRODUCTIONS BECAUSE WE HAVE NOT AS YET RELEASED OUR BROCHURE FOR PUBLICITY AND SCHOOL USE. WE EXPECT TO RELEASE THE FINAL PROGRAM WITHIN THE NEXT WEEK.

WE ARE PLANNING TO MAIL 20,000 COPIES OF THIS PRINTED PROGRAM OVER THE ENTIRE EAST TEXAS AREA WITH THE HOPE OF HAVING SOME 1,500 PEOPLE IN ATTENDANCE AT EACH MEETING. WE WOULD LIKE VERY MUCH TO HAVE SOME STATEMENT IN A LETTER OR TELEGRAM FROM YOU THAT WE MIGHT PUBLISH IN THE FRONT OF THIS BROCHURE RELATIVE TO THE VALUE OF EVERY AMERICAN'S BECOMING INFORMED ON THE COMMUNIST CRIMINAL CONSPIRACY AND THE VALUE OF SEMINARS SUCH AS THE ONE WE ARE TO CONDUCT. I AM SURE THAT IT IS UNNECESSAR FOR ME TO STATE THE FACT THAT YOU PROBABLY HAVE THE GREATEST RESPECT OF ANY LIVING AMERICAN AND YOUR ENDORSEMENT, HOWEVER MILD OR GUARDINGLY WORDED, WOULD ENCOURAGE MANY PEOPLE TO ATTEND THE SCHOOL.

THANK YOU FOR YOUR TIME AND CONSIDERATION AND WE TRUST THAT YOU WILL BE ABLE TO ASSIST US IN THIS MATTER.

YOURS VERY TRULY,

John Hardin

Dear Mr. Hoover:

I am a member of the Freedom Forum of Longview, which is a branch of the Christian Anti-Communist Crusade. Not long ago I recently became accidentally tangled up in the American Association for the United Nations, which I have recently been informed is a Communist front. Of course, I promptly got out, but since then I have been very interested in making sure people know what is and is not a front organization.

I just a moment ago completed typing several copies of a recently released bulletin from the Department of Justice which contained some 283 front organizations. While typing it, I happened to wonder if the recent furor over the paper "New Horizons" could not be just what the Communists want. Do you think a great likelihood exists that they are using that as a smoke screen in which to go ahead with their plans under a different name, thus leading America on a wild goose chase?

Also, I wanted to know this: since I have always been interested in politics and made no secret of the fact that I argued with the way things were going, I feel there is a chance that I may be contacted by a front or worse while I am in college. If this should occur, what should I do, get in touch with you after I get out, or play along until I get in touch with the FBI?

Thank you very much. Keep up the excellent work you are doing.

Very sincerely yours,

Martha Anne Guice

DIRECTOR, FBI 2/16/61

SAC, DALLAS

FORT WORTH FREEDOM FORUM

For the Bureau's information, Mr. FREDERICK DIELMAN, a businessman from Ft. Worth, Texas, appeared at my office on 2/15/61 and advised that the Fort Worth Freedom Forum was meeting on February 18, 1961. His only purpose in notifying me was to advise possible interested agencies as to the purposes of this project.

Of possible interest to the Bureau, however, are the enclosed pamphlets which Mr. DIELMAN furnished to me concerning the National Education Program, an organization located at 815 E. Center Street, Searcy, Arkansas, who Mr. DIELMAN stated is the sponsoring organization for One Day Freedom Forums being held throughout the country. One of the pamphlets enclosed sets forth the suggested program for the One Day Freedom Forum and also contains a catalogue of sound movies, filmstrips, tapes, speech kits and suggested printed matter. The program for the Fort Worth Freedom Forum is also enclosed.

The above is for the Bureau's information. A copy of this letter is being indicated for the Little Rock Office since the headquarters of the National Education Program are in Searcy, Arkansas.
